STUDENT PROJECTIONS FOR 2010-2011

The Algonquin and Lakeshore Catholic District School Board has begun the process of staffing and equipping schools for the next school year. Classroom models and staff positions are being planned for September, 2010. It is very helpful if our numbers are as accurate as possible even though the new school year is months away. **If you know you will be relocating out of our school area, please contact our school office.**

REPORT CARDS

The second term report cards are being sent home on March 30th. Parents are invited to arrange for interviews directly with their child's teacher(s) if they would like to discuss their child's progress. Teachers will also be contacting parents if an interview is needed to set further goals for term three.

LENTEN PROJECT

St. Mary Catholic School will be collecting soap during Lent. The soap will be sent to Save the Children Foundation, headed by Dr. Simone. Please send in soap with your child throughout Lent. Thank you for being generous to this very worthy cause.

St. Mary Catholic School Yearbook - Orders are still being taken for the St. Mary Catholic School Yearbook 2009-2010. Don't be disappointed in the Spring – order your yearbook as soon as possible.

Random Acts of Kindness and Anti-Bullying Awareness Week

Between March 7 and 13th, St. Mary Catholic School will be celebrating Random Acts of Kindness Week. This is a 13-year old event that was established in memory of Mark Fyke, a student from Nicholson Catholic College in Belleville, Ontario who was killed as a result of a random act of violence over the March Break. The goal of the event is to drown out these acts of violence with random acts of kindness. Students will be given blue ribbons to wear in support of this event.
